

Dog Park Cakes

Each cake is home made and ingredients are simple! Whole wheat or almond flour, baking soda, veggie broth, almond milk, banana and peanut butter. The icing is a little sweet as it is a yogurt based icing. Tiny bone shaped confections are used but can be either taken off at serving time or omitted completely. Tiny dog figurines with party hats are included! As well as a small banner that states the celebration's theme. FYI A small 6 inch round will serve several dogs! It is a rich treat and dogs shouldn't be "over served"!

6" Round	\$35
